3. The Kangwon-do Central Hospital charges none for its medical examinations and acupuncture. However, it charges for its injection and drugs, including herb medicine. This hospital accepts those patients residing in its jurisdictional areas, seemingly including Yangji-ri and Sinp'ung-ni (Wonsan-si), those stranger-patients travelling or temporarily staying in Kangwon-do, and those patients whose cases are beyond the control of miscellaneous dispensaries in the province (To). (NOTE: In this case the patient is required to submit to the hospital a certificate issued by the pertinent dispensary). No further information is available concerning hospital charges and hospital jurisdictional areas.

4. [ ] the Kangwŏn-do Central Hospital has a total of approximately 30 doctors of both sexes and 70 nurses, plus an unknown number of employees for miscellaneous jobs. [ ]

25X1

[ ] A patient who wish to receive medical examination at the Kangwŏn-do Central Hospital is first required to place his name and particulars on the name-list provided at the information window of the information room. This registration is then checked by the information nurse. (NOTE: She checks the applicant in his certificate, such as birth certificate, student's certificate, citizenship certificate, employment certificate, and/or certificate issued by the pertinent dispensary), and thus, the consultation ticket is finally issued by the nurse to the patient.
